Oregon Consumer Vehicle Use Tax Return

File your return on our website at www.oregon.gov/dor.

General instructions

The vehicle use tax is 0.5 percent of the retail sales price of taxable vehicles sold by a dealer outside of Oregon. A taxable vehicle is one with up to 7,500 miles and a gross vehicle weight rating (GVWR) of 26,000 lbs. or less. If the vehicle doesn't have an odometer, it's taxable if it's sold with a manufacturer's certificate of origin (MCO) or manufacturer's statement of origin (MSO). For more information about which vehicle sales qualify, visit www.oregon.gov/dor.

Once we have received and processed your return and payment, we will send you a certificate of vehicle use tax paid that you need to finish registering the vehicle with the Department of Transportation, Driver and Motor Vehicle Services (DMV). You can choose to have the certificate sent by email or by standard mail.

What is the applicable law? Oregon Revised Statutes (ORS) 320.400–320.485.
